

E14 BUSINESS CARD SIZED FRAN INVITATIONS

Notes & Copyright Information

On WELS Connect you will find JPGs with “Born to Save Us” images sized for business cards. You can pick the one that matches our outreach card, or use the business cards by themselves.

There are four image options. These images were purchased at *Shift Worship* (www.shiftworship.com). In the outreach postcard module, there are links that will take you to the exact pages. If you want to legally use these JPGs, you must purchase them. They are \$3.

The cards are sized to fit the standard business cards at *Vistaprint.com*. You can order 2000 for about \$30.

At *Vistaprint*, you can design your own background. Or, we have provided templates in *Microsoft Word* and *Microsoft Publisher*. Use them to get the back exactly as you want it to look. Then save it as a 300DPI image. Upload the front image and the back image in *Vistaprint*, and you are ready to go!

Blessings on your Easter efforts.

You can customize the images if you want, such as adding your name to the front of the card.

OPTION 1

You can find the image with the “Born to save us” theme on Connect. It is sized ready to go with USPress.

[You can find a still image and a motion at Shift Worship. Just click HERE.](#) It is part of the “Just Opened” collection.

If you use the JPG on WELS Connect you need to at least buy the still image from *Shift Worship*. It costs \$3. The matching motion costs \$5.

An example of how the back might look is available on connect. The colors used were chosen to match the pallet of the front side. Again, printing both sides in color is standard at USPress. Use the Publisher file on WELS Connect to modify the back of the card for your church. Or create your own back using another publishing program.
